THE PAPER INDUSTRY

Index to Volume Four

APRIL, 1922—MARCH, 1923

ASSOCIATIONS

American Paper and Pulp Association
- Baker Summarizes Work of ..... Jan. 1443
- Fall Business Conference ..... Nov. 1075
- Forty-fifth Annual Convention ..... Apr. 117

American Pulp and Paper Mill Superintendents Association
- Board Division Organized ..... Dec. 1242
- Board Division Second Meeting ..... Mar. 1685
- Connecticut Valley Division Organized ..... Dec. 1239
- Miami Valley Division Meeting ..... July 565
- Miami Valley Division Meeting ..... Aug. 691
- Miami Valley Division Meeting ..... Feb. 1557
- Miami Valley Division Meeting ..... Mar. 1731
- Michigan Division Meeting ..... Oct. 969
- Michigan Division Meeting ..... Nov. 1113
- Michigan Division Meeting ..... Jan. 1394
- Michigan Division Meeting ..... Feb. 1545
- Michigan Division Meeting ..... Mar. 1733
- National Convention at Kalamazoo ..... June 395
- Northern New York Division Meeting ..... Dec. 1240
- Northeastern Division Meeting ..... June 443
- Northeastern Division Meeting ..... Oct. 659
- Northwestern Division Meeting ..... Nov. 1084

Canadian Pulp and Paper Association
- Tenth Annual Convention ..... Feb. 1526

Cost Association of the Paper Industry
- Meeting at Holyoke ..... Nov. 1084
- Meeting at Holyoke ..... Dec. 1241
- Meeting at Kalamazoo ..... Mar. 1733
- National Convention at Kalamazoo ..... June 395

National Paper Trade Association
- Nineteenth Annual Convention ..... Apr. 153
- Semi-annual Meeting ..... Nov. 1081

Salesmen's Association of the Paper Industry
- Annual Meeting ..... Apr. 149
- Fall Meeting in Chicago ..... Nov. 1079
- New England Division Meeting ..... June 443
- New England Division Meeting ..... Feb. 1551

Technical Association of the Pulp and Paper Industry
- Fall Meeting at Detroit ..... Oct. 928a
- Seventh Annual Meeting ..... Apr. 143

COSTS

Budgetary Control in the Paper Mill, H. M. Grasselt ..... Feb. 1513

Charts of Accumulation and Distribution of Operating Costs, George K. Ferguson ..... Mar. 1701

Co-operation and Costs, C. A. Jasperson ..... Jan. 1433

COSTS—(Continued)

Co-operation Between Superintendents and Cost Accountants, Joseph Slater ..... June 415

Co-operative Competition and the Service Associations, T. J. Burke, C. A. ..... July 545

Co-ordination of Expense Items in Preparing Departmental Budget, The, James A. Reilly ..... Dec. 1251

Costs and the Paper Industry, T. J. Burke, C. A. ..... Dec. 1242

Cost Records, Co-operation and Common Sense, H. M. Grasselt ..... Mar. 1668

Depreciating the Valuation of Patents, Ralph H. Butz ..... July 533

Difference Between Appraisal and Inventory, W. W. ..... Oct. 923

Executive's Viewpoint on Subject of Co-operation Between Superintendents and Cost Departments, An, George A. Galliver ..... June 403

How Charges of Repairs, Replacement and Equipment Affect Cost, G. T. Jubb ..... Mar. 1704

How the Superintendents Are Benefited by Cost Reports Based on Accurate Manufacturing Data, James A. Reilly ..... June 427

How to Determine the Cost of Belt Creep and Slip Combined ..... April 64

Methods of Modern Management, G. W. Hafner ..... Oct. 919

Mill Costs from a Technical Man's Standpoint, W. G. MacNaughton ..... June 419

Progress in Cost Accounting for Logging Operations, L. W. Campbell ..... Feb. 1533

Pulp and Paper Cost Accountant—His Past, Present and Future Place in the Industry, The, Seth L. Bush ..... Dec. 1255

Technical Control in Relation to Costs, Elbert G. Milham ..... Mar. 1704

EDITORIALS

Again We Say ..... July 493

Appalling Waste, An ..... Jan. 1339

Appreciation ..... Jan. 1339

Business Sense, Ike Kennedy
- Appreciation ..... July 497
- Averages ..... April 27
- Confidence ..... July 497
- Experience ..... April 27
- Radio ..... May 225
- Who Wins? ..... Sept. 759
- Work ..... May 225

INDEX TO VOLUME FOUR, THE PAPER INDUSTRY

EDITORIALS—(Continued)

Business Straws ..... April 19
Buy Paper Freely Now ..... Aug. 623
Buy Your Paper Supply Now ..... May 217

Clean Sheet, A ..... Jan. 1339
Criticism ..... Nov. 1023

Don't Rock the Boat! ..... Feb. 1473
Drones Not Wanted ..... May 221

Education ..... Feb. 1477

February Issue a Safety Number ..... Jan. 1339
Forecast of 1923 Conditions, The ..... Dec. 1183

Get Out of the Rut, or Be Buried—Which? ..... Nov. 1015
Good Many "Tuned In," A ..... Mar. 1619

Hold Prices Firm—Don't Boost ..... Mar. 1611

Make a Profit in 1923! ..... Jan. 1335

Newsprint Consumption Steadily Increasing ..... Oct. 889
New Treatise on Fourdrinier in Preparation ..... Nov. 1019

Paper Exposition Proposed ..... Dec. 1187
Paper Industry Profitable ..... Oct. 885
Paper Is a Purchase Now! ..... April 11
Paper Is a Purchase Now! ..... June 347
Peace on Earth—Good Will Toward Men ..... Dec. 1179
Proof of the Pudding, The ..... Oct. 889

Reduce the Postal Charges ..... Dec. 1187

Safety Code, A ..... Dec. 1187
Self-Reliance, Ralph Waldo Emerson ..... Oct. 893
Sensitiveness of Credit, The, J. H. Tregoe ..... July 501
Simply a Matter of Placement ..... Mar. 1615
Slight Digression, A ..... Nov. 1019
Smell Through Your Knows ..... Aug. 627

There Shall Be No More Strikes! ..... Sept. 755
Tune In ..... Feb. 1477
Two Heads Are Better Than One ..... Mar. 1615

Unseen Enemies ..... Aug. 631

INDUSTRIAL BETTERMENT

Economics of Lighting in Pulp and Paper Mills, J. H. Kurlander ..... Mar. 1692

Finding Gold in the Golden Rule ..... Jan. 1393
Foreman of Today, The, H. M. Grasselt ..... June 373

Home, Edgar A. Guest ..... Aug. 635

Improving Foremanship, F. Theodore Struck ..... Sept. 798

Mill Management Problems, R. B. Wolf ..... Dec. 1267

Six Definite Things That Workers Want, James H. Collins
5—A Square Meal ..... April 85
6—To Throw Down Roots ..... June 386

Vocational Education and the Superintendent, A. D. Wood ..... July 551

MANUFACTURE OF PAPER

(Chemical Process)

Analysis of Reclaimed Cooking Acid for Sulphite Mills, Gosta P. Genberg ..... April 83

Chemistry of the Sulphite Process, The, R. N. Miller and W. H. Swanson ..... May 257
Chlorine Process Discussed, The, Umberto Pomilio and DePerdiguier ..... Mar. 1670
Concerning the Analysis of the Raw Sulphite Acid, Dr. Rudolf Sieber ..... May 271

MANUFACTURE OF PAPER—(Continued)

De Vains Process for the Preparation and Bleaching of Paper Pulp by Means of Chlorine, The, De Perdiguier ..... Aug. 661

How Bleaching Affects the Strength of Fibers, E. Sutermeister ..... July 517

Method for the Determination of Soluble Sulphates as Sulphuric Acid in Waste Sulphite Liquor, E. C. Sherrard and G. W. Blance ..... May 241

Producing Bleach Liquor with Liquid Chlorine in the Pulp and Paper Mill, S. W. Jacobs and H. P. Wells ..... April 100

Recovery and Its Control, G. K. Spence ..... July 527
Research Problems in the Pulp and Paper Industry, E. Sutermeister ..... Nov. 1087

Some Factors Influencing Yield and Strength of Pulp Cooked by the Soda Process, Martin L. Griffin ..... May 261

Why a Chemist in a Paper Mill, Dr. Karl A. Schultz. Mar. 1697

MANUFACTURE OF PAPER

(Handling Material)

Five Rules for Loading Rolls, Oliver Buswell ..... Sept. 794
For Lifting Rolls of Paper ..... July 539

Overcoming Shipping Room Errors ..... Nov. 1068

Paper Measuring Counter ..... June 387
Pope Paper Roll Handling Truck ..... July 544

Small Paper Mill's Finishing Room and Its Auxiliaries, The, H. M. Grasselt ..... April 80

Traffic Details in the Paper Industry, Joseph A. Quinlan ..... Dec. 1250

MANUFACTURE OF PAPER

(Mechanical Process)

Application of Steam Traps to Paper Machine Dryers, The, L. D. Goff ..... Mar. 1719

Beater Room Efficiency, Richard Clayton ..... Nov. 1050
Beaters, Charles W. Shartle ..... Dec. 1243
Breaking of Wood Grinding Stones, The ..... Mar. 1659

Electrical Way, The, S. A. Staege ..... June 411

Fourdrinier Machine, The, Harry E. Weston
Section I ..... Dec. 1213
Section II ..... Jan. 1371
Section III ..... Feb. 1515
Section IV ..... Mar. 1663

Grinnell Dryer Applied to Wall-Paper and Coated Paper, The, Jerome D. Stein ..... Sept. 813

Head-Box or Flow-Box, The, Harry Williamson ..... Mar. 1683
Heat Treated Steel Is the Best, W. F. Ebbing ..... Mar. 1715
High Efficiency Pumps ..... July 538
Hydrating Machinery for the Paper Mill, George L. Bidwell ..... April 78

Kamyr Pulp Pressmachine, The, O. L. Berger ..... Jan. 1415

Operation of Flat Diaphragm Screens, Harry Williamson ..... Nov. 1071

Putting a New Wire on the Fourdrinier, Harry Williamson ..... Oct. 915

Relative Efficiency of the Automatic Magazine Grinder as Compared with the Pocket Type Grinder, John J. Case ..... April 94

INDEX TO VOLUME FOUR, THE PAPER INDUSTRY

MANUFACTURE OF PAPER—(Continued)

Save-Alls, A. W. (Del) Nason....Dec. 1261
Some Observations on the De-Inking of Old Newspapers, Sidney D. Wells....July 555
Successful Suction Roll, A, H. O. Bing....Dec. 1253
Trimbey and Tibbitts Proportioning and Metering System for Paper Stock, E. J. Trimbey....Sept. 805
Wear of Machine Wires, The, R. Marx and E. Mallett....April 65
Wear of Paper Machine Wires, The, V. Bouyer....Jan. 1384

MANUFACTURE OF PAPER
(Power Plant)

Boiler House in the Paper Industry, A, John A. Kagerhuber, M. E....Dec. 1231
Electric Steam Generator, The, Horace Drever and Frank Hodson....June 388
Electric Steam Generator, The, E. H. Horstkotte...Mar. 1717
Evaporation Test of a 1500 H. P. Electric Boiler, M. C. Allin....Sept. 781
Importance of Emergency Closing Valves at the Boiler End of Steam Pipe to Large Turbine Units, P. W. Knauf....July 541
Many Low Head Water Powers May Be Developed, Donald M. McLean....Dec. 1233
New Forced Draft Stocker, A....July 543
Pointers for the Engineer, W. F. Schaphorst, M. E.
Action of Furnace Gases....Oct. 918
Advantages of Small Steam Pipe Lines....Apr. 100
Arc of Contact....Dec. 1228
Boiler Explosions....Dec. 1230
Boiler's Flywheel, The....Oct. 917
Boiler Scale Removal....Nov. 1070
Buying vs. Making Your Own Belt Dressings, Glues, Cements, Paints, Etc....Aug. 652
Capacity Basis Buying....Aug. 651
Carbon Dioxide Recorders....Mar. 1679
Cheap Lubricating Oil....May 251
Chimney Gas Temperature as an Indicator....Mar. 1678
Closed Arches in Boiler Rooms....July 535
Cost of Blowing Soot....Jan. 1388
Cost of Leaks, The....Mar. 1680
Cost of Live Steam....Sept. 793
Cost of Scale, The....Sept. 794
Dame Nature vs. the Engineer....June 384
Damper Regulators....Feb. 1522
Delicate Uniflow Engine, The....Oct. 917
Density of Oil, The....Mar. 1680
Does Dressing Weaken Belt Joints?....Nov. 1071
Economy of Damper Regulators, The....Apr. 99
Efficiency of Friction Drive....Sept. 793
Eliminating Spontaneous Combustion....Mar. 1679
Excellent Leather....Oct. 918
Expansion Joints....Dec. 1229
Faking the Backbone....Oct. 918
Feeding the Boiler....Mar. 1680
Feed Water Heaters....Aug. 651
Friction Clutches....Oct. 918
Good Blower Is Worth While, A....Sept. 792
He Was Too Busy....Dec. 1228
How About That Damper Regulator?....Oct. 918
How Much Can the Paper Mill Afford to Pay for a Soot Cleaner?....Feb. 1523
How Much Does a Poor Gasket Cost?....Apr. 98
How Much Heat Passes Through?....Sept. 794
How Much Lubricant?....Dec. 1229
How Much Power Is That Belt Transmitting?....June 382
How to Know Any Key in the Dark....Feb. 1524
How to Weight Attached Irregular Parts....June 385
Incorrect Gasket Size....July 534
Is There a Formula for Inefficiency?....Jan. 1387
Jacks and the Ignorance Factor....Sept. 793
Kinks for Cutting Belts....Nov. 1070
Lengths Too Long....Oct. 918
Location of Power Plants....Sept. 793
Making a Pipe Flow Formula Easier to Use....Apr. 99
Minimum Size, The....Nov. 1069
Most Popular Formula, The....Aug. 651
New vs. Second-Handed Boilers....Aug. 650
Only a Faulty Plug....July 535
Our Body Structure Is Lubricated....July 536
Packing Friction....Sept. 794
Pipe Bends....Mar. 1680
Plastic Cement....Aug. 650
Pull vs. Push....Nov. 1070
Queer Ideas About Light....July 537
Regulation of Boiler Feed....June 383
Removing Scale from Inaccessible Tubes or Coils....July 535
Reversing Without Twisting Belt....Feb. 1523
Saving Money "At the Source"....Mar. 1678
Shall We Make Our Own Repair Parts?....Apr. 99
Simple Boiler Feeder, A....Dec. 1229
Some Unusual Pipe Bends and Welds....Mar. 1679
Staggered vs. Unstaggered Metal Lacing....Nov. 1069
Taking Care of Belts....June 384
Technical Errors....June 384
Uncovered Steam Pipes....Dec. 1230
Useful Pipe Bending Chart, A....June 383
Useful Pipe Chart for Paper Mills....May 252
Van Stoning Wrought Iron Pipe....July 536
Van Stoning Wrought Iron Pipe....Jan. 1386
Water or Air Cooling....Dec. 1230
Welded Pressure Containers....July 536
What Does Volumetric Efficiency Mean?....Apr. 98
What Is the Horse Power?....Nov. 1069
Which Is Best?....July 534
Why Handle Coal by Hand?....Aug. 650
Why Is a Belt Stiff?....Feb. 1522
Power Plant of the Paper Industry, The, A. G. Darling and H. W. Rogers....Apr. 87
Power Plant Management, Robert June, M. E.
Boiler Water Treatment—Part I....Nov. 1055
Boiler Water Treatment—Part II....Dec. 1221
Boiler Water Treatment—Part III....Jan. 1379
Combustion of Fuel Oil—Part I....Sept. 788
Combustion of Fuel Oil—Part II....Oct. 913
Fixed Charges and Maintenance....Mar. 1674
Mechanical Draft....June 375
Permanent Statistics of the Power Plant....Feb. 1519
Pulverized Coal for Steam Boilers—Part I....July 523
Pulverized Coal for Steam Boilers—Part II....Aug. 664
Steam Turbine—Part I....Apr. 72
Steam Turbine—Part II....May 245
Power System, The, John F. Ferguson
Boiler Plant, The....Dec. 1236
Coal vs. Oil as Fuel....Oct. 921
Generation, Application and Efficiency....Aug. 658
Steam Saving Effected by Soot Blower....May 250
Storage of Coal....Sept. 795
Tightening Belts, "Steve" Says, Is Like Lifting Yourself by Your Bootstraps....July 537
Uniflow Engine, The, L. C. Rove....Mar. 1709

MARKETING

Paper Export to Latin America, H. M. Grasselt....Dec. 1234

INDEX TO VOLUME FOUR, THE PAPER INDUSTRY

MARKETING—(Continued)

Salesman as an Evangel for Good Business, The, Lawrence H. Sloan....April 76
Scandinavian Competition, Dr. Hugh P. Baker....Nov. 1058
Serving the Customer, H. M. Grasselt
Integral Part of Planning, An....Oct. 909
Principal Aim of Traffic Management, The...Nov. 1065

MISCELLANEOUS

All Indications Point to a Successful Exposition....Mar. 1685
Cause of Mildew in Felts....July 539
Coarse Papers, D. Clark Everest....Nov. 1051
Complete Heating and Ventilating Unit....Apr. 97
Correlation of Mill Data, The, W. B. Van Arsdel....Aug. 645
Daily Fitting Report, John A. Kagerhuber, M. E....May 253
Farthest North in Paper Making, E. L. Chicanot....July 540
First Newsprint Mill in Chicago....Aug. 679
Geo. M. Reniolds Addresses Conference....Nov. 1045
Grease Lubrication, Harry C. Kneezel....Feb. 1524
Jacob Kindleberger's Welcome....June 351
Lubrication of Paper Mills, T. C. Porteus....Oct. 924
Ma and the Auto, Edgar A. Guest....Nov. 1027
New Hinde & Dauche Mill, The....May 255
1922 Marked by Forestry Developments, Warren B. Bullock....Feb. 1539
Paper Pulp Industry in France, The, W. P. Mitchell..July 522
Port Alice Plant of the Whalen Pulp & Paper Mills, Ltd., The....Oct. 929
Proposed Standard Substance for Paper, S. L. Willson....Sept. 782
Removes Drain Pipe Obstructions....Apr. 75
Repair Report, John A. Kagerhuber....Nov. 1074
Results of Experiments in Reforestation, Ellwood Wilson....Mar. 1657
Seasoning Pulp Stones....Sept. 763
Stores Department, The, H. M. Grasselt....Aug. 655
Systems of Records to Maintain Uniformity of Basis Weights of Paper, The, Parker K. Baird....Aug. 668

PAPER MAKING MATERIALS

Casein and Its Modification by Acid, E. Sutermeister..Dec. 1224
Groundwood and Waste Paper in the Manufacture of Paper, E. Arnould....July 529
Interesting Paper on Rubber Latex....Jan. 1407
Loading and Filling Materials, Carl C. Schneider....Dec. 1259
Notes on the Production of Half-Stuff from Waste Papers, Elbert G. Milham, Chem. Engr....June 421
Seasonal Influences in Sulphate Making, W. S. Haley..Nov. 1062
Stamso—Cotton Linter Pulp, Stewart E. Seaman....May 277
Strong, Quick Cook, Hemlock Sulphite, L. E. Smith..Nov. 1086
Sulphur and Sulphur Burners, H. E. Weston....April 90
Testing for Rubber Latex in Paper....Mar. 1751
Use of Corn Starch in the Paper Mill, Hans Wrede..Jan. 1368
Weights and Volumes of Pulp Stock, F. H. Shiland..May 249

PULPWOOD

Benefits from Preliminary Impregnation of Pulpwood Chips....June 385
Concerning Lignin and Lignin Reactions, Dr. Peter Klason....May 281
Contribution to the Knowledge of the Constitution of Spruce Wood Lignin, Dr. Peter Klason....May 262
Handling Wood Room Equipment, Frank J. Carroll..June 409
Log Barking, W. H. Wharton....May 248
Properties of Wood in Paper Making, The, Bjarne Johnsen and H. N. Lee....Feb. 1529

PULPWOOD—(Continued)

Sedimentation Control of Groundwood, W. A. Monro..Aug. 673
Volumetric Measurements of Pulp Wood....Apr. 85

SAFETY

Accident Hazards in the Wood Room, D. B. Davies..Apr. 69
Accident Prevention in the Sulphite Mill, F. H. Rosebush....July 531
Eleventh Annual National Safety Congress....Sept. 796
Foreman and His Responsibility for Employees Under His Supervision, The, Adam Wilkenson..Sept. 797
Goggle Problem in a Paper Mill, The, Raymond A. Steffen....Oct. 937
It Pays to be Careful....Apr. 35
Safe Finishing Room, The, Charles E. Walker....Oct. 911
Safeguarding the Worker in the Machine Room, Raymond A. Steffen....June 379
Safety and Efficiency Appliances for the Boiler Plant, Walter C. Edge....Sept. 811
Safety Code for Paper and Pulp Mills, National Safety Council....Feb. 1505
Safety First in the Beater Room, Paul DeGuchery...Feb. 1521
Safety from a Superintendent's Viewpoint, L. F. Knickerbocker....Sept. 797
Safety in the Beater Room, Frank A. Drumb....Aug. 652
Safety in the Wood Room, Frank A. Drumb....Sept. 777

TESTING

Average Tearing Strength of Commercial Papers, Armin Elmindorf, M. E....Sept. 790
Determination of the Effect of Pressure on the Strength of Test-Sheets in the Strength Testing of Pulp, E. P. Cameron, B. Sc....Mar. 1685
Influence of Moisture on Tests of Container Board, Sidney D. Wells....Dec. 1245
Microscopic Analysis of Fibers in Paper....Oct. 928f
Relative Strength of Sheet-Machine and Hand Mould Sheets, The, E. Sutermeister....Mar. 1661
Report of Committee on Standard Methods of Testing Materials, F. Becker....July 546
Report on Folding Tester, Helen U. Kiely....Nov. 1129
Testing Colored Materials for Fastness to Light, H. S. Thayer, B. Sc....Sept. 807
Testing Fibre Board for Strength....Apr. 85

WASTE

Anthracite Mine Waste Burned in Pulverized Form..Sept. 763
Elimination of Waste in Paper Industry Due to Poor Lighting, H. T. Spaulding and R. A. Palmer....Apr. 61
Modern Washing System for Waste Paper Recovery Plant....Sept. 799
Paper Pulp Recovery, L. M. Booth....Mar. 1701
Personal Experiences in the Overcoming of Waste, Practical Mill Men....Jan. 1389
Putting the Lid on Waste, H. M. Grasselt....Jan. 1377
Reclaiming Dead Heads....Jan 1388
Reclaiming Waste Heat in a Machine Room, J. O. Ross....June 405
Stock Saving—With and Without Save-Alls, E. J. Trimbey....Feb. 1532
Superintendent's "Dope" on Waste, A, Michael Ludwig, Jr....June 355
Wasteful Policy, A, B. T. McBain....Jan. 1383
Waste in Pulp and Paper Industry, B. T. McBain....Nov. 1085
Waste in the Paper Industry, George Bearce....Mar. 1703
Waste in the Pulp and Paper Mill, John A. Kagerhuber, M. E....Jan. 1365
